To all of our valued customers:

Jun. 20th, 2011

EU-Directive EC 1907/2006 – REACH

Based on this directive which comes into force on 1 June 2007 with phased deadlines to 2018. **TAIWAY Electronics Components Co., Ltd.** is a manufacturer of electronic components, we are therefore considered a “downstream user” as far as the REACH document is concerned.

TAIWAY warrants that we will take necessary actions to comply with all REACH requirements and is committed to providing our customers with information about the chemicals used in our products. TAIWAY will be working continuously with our material suppliers in order to ensure that TAIWAY products comply with REACH.

At the date of this issue, TAIWAY confirms present products we delivered do not contain the 53 substances of very high concern (SVHC) that were published since 2008. Moreover, our products will not release harmful substance if under normal and reasonable use.

Thank you very much for your support.

Kind Regards,

Declaration made by authorized company representative:
