

# R3-26

(4.0mm)0.156"  
Solder

10A 250V AC

0.5 ~ 4.5mm

## FEATURES:

- Material:  
Frame and cap: phenolic(UL flame: 94V-1).  
Terminal: nickel plated brass.
- Mounted by nut.

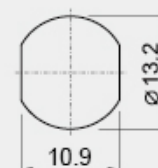

CAP

Screw type

FUSE

Ø 5.0\*20mm

## CUT-OUT

|                |     |             |            |                                |                                   |  |                                                                                                                                                                                                       |  |
